

Providing content for students on Moodle

To check ownership, search the [library catalogue](#) for print items and e-books, and [Publication Finder](#) for online journal access.

When making a request via the Digital Content Store you will first need to create an account. If your email address is not recognised, please [contact the library](#).
[Support with completing the request form.](#)

We will keep you informed of the progress of your request. Once material is available on the DCS we will send you a link to use on Moodle.
